- Solution No. 85/18/1800
- (a) The contract price for the maintenance services may be adjusted based on increases or decreases in actual costs of direct service labor which result directly from laws enacted and effective during the term of this contract by the Cote d'Ivoire Government. Direct service labor costs include only the costs of wages and direct benefits (such as social security, health insurance, and unemployment compensation insurance) paid to or incurred for performing services under services listed in Section C of this contract. Price adjustments will include only changes in direct service labor costs incurred in order to comply with the requirements of the law. This will include details regarding specific hourly rates paid to individual employees.
- (h) Only direct cost changes mandated by enacted laws will be considered for adjustment under this contract. Changes for purposes of maintaining parity of pay between employees at the minimum mandated levels and employees already paid at levels above the newly mandated minimums should not be considered. Therefore, if the Contractor elects to increase his payments to employees who are already being paid at or above the mandated amounts, such increased costs to the Contractor shall be borne solely by the Contractor and shall not be justification for an increase in the hourly and monthly rates under this contract.
- (i) Any request for adjustment shall be certified by signature by an officer or general partner of the Contractor having overall responsibility for the conduct of the Contractor's affairs.
- (j) No request by the Contractor for an adjustment under this clause shall be allowed if asserted after final payment under this contract.

The Government intends to award a contract resulting from this solicitation to the lowest priced, acceptable offeror who is a responsible contractor. Price will be evaluated as provided elsewhere in this section. Acceptability will be based on compliance with the solicitation requirements and any technical information provided by the offeror with its proposal, if requested in Section L or otherwise included with the offeror's proposal.
